

TUJENGE SCHOLARS PROGRAM

General Information

Cohort 6 – Class of 2023

Bujumbura-Burundi

INTRODUCTION

Thank you for your interest in becoming a Tujenge Scholar! This packet contains all of the information necessary for you to submit your application for this program.

Should you be accepted to the program, you will embark on a transformative seventeen-month journey that will challenge you to envision the future of your country and imagine your place in that world. The program involves intensive study of English, history, and a variety of technical sciences. As a student, you will work together with top scholars from around the country to tackle difficult problems and make a tangible and lasting impact in your communities. By the end of the program, you will have developed skills in ethical leadership and team-building, and you will have built a network of fellow compatriots who also have a vision of hope and the capacity to effect profound change.

The Tujenge Scholars Program (TSP) is the primary initiative of the Tujenge Africa Foundation, a non-profit organization with operations based in Burundi. The mission of the Tujenge Scholars Program is to fortify the next generation of leaders in Burundi with the connections and skills that they will need to move the country forward. TSP is committed to providing an education of the highest quality to one group of exceptional young adults each year. The program is highly selective, and only a few scholars from around the country are selected each year. Students, surrounded by this exceptional group of co-scholars, will learn as much from their peers as from their instructors.

Scholars will attend classes five days a week and will be expected to complete a rigorous course load of assignments. Classes are taught exclusively in English, with subjects ranging from Burundian history to computer literacy. TSP is a liberal arts program, meaning that all students take all subjects, regardless of previous fields of study. In addition to classes, each scholar will be responsible for selecting, planning, completing, and documenting a service leadership project that challenges every scholar to develop innovative solutions to challenges in their communities.

The Tujenge Africa Foundation believes that education is not just an end to be attained by an individual, but rather the collective achievement of the community of people who have supported each student along the way. Education carries with it a moral obligation to better the lives of others, and the overarching mission for the Scholars Program is to develop a generation of ethical Burundian leaders: young men and women who are closely linked to their communities, to the region, and to the broader business and political world. Accordingly, after graduation from university studies, each Tujenge Scholar is expected to return to their home country and work for a minimum two years.

The Association Tujenge Africa is registered through the Ministère de l'Intérieur, du Développement Communautaire et de la Sécurité Publique du Burundi. It is financially supported by the Tujenge Africa Foundation, a 501(c)(3) non-profit organization incorporated in the United States. Tujenge Africa Foundation does not discriminate its programs or activities based on race, color, national or ethnic origin, ancestry, geographic origin, age, religion or creed, difference in ability, sex or gender, gender identity and/or expression, or sexual orientation.

Merci pour votre intérêt à devenir un Tujenge Scholar! Ce formulaire contient toutes les informations nécessaires pour que vous puissiez soumettre votre candidature pour ce programme.

Si vous êtes admis dans le programme, vous vous lancerez dans une expérience transformative de dix-sept mois qui vous mettra au défi d'imaginer l'avenir de votre pays et d'imaginer votre place dans ce monde. Vous entreprendrez une étude intensive de l'anglais, de l'histoire et de diverses sciences. En tant qu'étudiant, vous travaillerez avec les meilleurs autres étudiants du pays pour résoudre des problèmes difficiles et avoir un impact tangible et durable dans vos communautés respectives. A la fin du programme, vous aurez développé des compétences dans le leadership serviable et le travail d'équipe. Vous construirez un réseau de compatriotes qui ont aussi une vision optimiste et la capacité d'effectuer de profonds changements.

Le programme Tujenge Scholars (TSP) est l'initiative phare de la Foundation Tujenge Africa, une organisation à but non lucratif avec des opérations basées au Burundi. La mission du programme Tujenge Scholars est de préparer pour la prochaine génération de leaders burundais ; chercher les moyens d'établir les connexions et acquérir les compétences dont ils auront besoin pour faire avancer le pays. TSP s'engage à fournir une éducation du plus haut niveau à un groupe de jeunes adultes exceptionnels chaque année. TSP est très sélectif et seuls quelques étudiants sont sélectionnés à travers tout le pays chaque année. Les étudiants, entourés de ce groupe exceptionnel d'autres étudiants, apprendront autant de leurs pairs que de leurs professeurs.

Les étudiants suivront les cours cinq jours par semaine et devront compléter un lot de cours chargé et effectuer des travaux rigoureux. Les cours sont enseignés exclusivement en anglais, avec des sujets allant de l'histoire burundaise à l'informatique. TSP est un programme d'arts libéraux, ce qui signifie que tous les étudiants prennent toutes les matières, indépendamment des domaines d'études précédents. En plus des cours, chaque étudiant sera responsable du choix, de la planification, de la réalisation et de la documentation d'un projet de leadership (service à la communauté) qui défie chaque étudiant à développer des solutions innovantes pour défier leurs communautés.

Tujenge Africa Foundation estime que l'éducation n'est pas seulement une fin à atteindre par un individu, mais plutôt le succès collectif de la communauté de personnes qui ont soutenu chaque étudiant tout au long du parcours. L'éducation implique une obligation morale d'améliorer la vie des autres, et la mission primordiale du programme Tujenge Scholars est de développer une génération de leaders burundais avec une éthique: des jeunes hommes et dames qui sont étroitement liés à leurs communautés, à la région, au monde des affaires et à la politique. Conséquemment, après avoir obtenu son diplôme d'études universitaires, chaque étudiant de Tujenge Scholar devrait retourner dans son pays d'origine et y travailler pendant au moins deux ans.

L'Association Tujenge Africa, est enregistrée au Burundi avec l'agrément du Ministère de l'Intérieur, du Développement Communautaire et de la Sécurité Publique du Burundi. Elle est financièrement soutenue par la Fondation Tujenge Africa 501(c)(3), une organisation à but non lucratif fondée aux États-Unis. La Fondation Tujenge Africa ne discrimine pas dans ses programmes ou activités sur base de race, couleur, origine nationale ou ethnique, ascendance, origine géographique, âge, religion ou croyance religieuse, infirmité ou handicap, sexe ou genre, identité de genre et / ou expression, ou tendance sexuelle.

 - Applications are accepted from all provinces in Burundi, regardless of applicant nationality, refugee status, or status as an Internally Displaced Person (someone who is forced to flee their home but who remains within their country's borders).
 - Tujenge Africa Foundation does not discriminate its educational programs based on race, color, national or ethnic origin, ancestry, geographic origin, age, religion or religious creed, difference in ability, sex or gender, gender identity and/or expression, or sexual orientation.
- According to grades:
 - There is no minimum score on the national exam or class rank required to apply.

Admissions

Each year, a small number of scholars from around the country are selected for admission into TSP. Admission is holistic, which means that a variety of factors are considered when selecting each cohort of students. While test scores and class rank will play a large part in the selection process, intangible qualities such as leadership potential, vision, ingenuity, perseverance, and grit will play a large role as well. Students are not expected to be fluent in English upon admission; however, an existing working knowledge of the language is important for success in the program. The writing samples will be used to evaluate your skills in English and your ability to effectively convey ideas through written language.

The admissions process requires you to fill out the Application Form and return it (along with all

required documentation) to TSP using one of the methods described in the APPLICATION INSTRUCTIONS section below. **Applications are due on October 22, 2021, by 5:00PM.**

Applications received after this deadline **will not be** considered, regardless of reason, excuse, or circumstance.

Applicants will be **notified by November 22, 2021** about the status of their application.

School Schedule

Students who are admitted to the program are expected to attend classes five or six days per week, from 8:30 in the morning until 4:00 in the afternoon. The program begins on Monday, January 24, 2022 and finishes with a graduation ceremony on Saturday, June 24, 2023.

Students will have holidays scheduled periodically throughout the year, so that they have time to rest and recharge. A complete school calendar will be distributed to admitted students and their parents.

Program cost and tuition

TSP is fully committed to ensuring that any scholar who is selected for the program is able to attend, regardless of financial situation. This means that the financial cost of the program will not be a barrier to entry, and students who have demonstrated financial need will be accommodated fully.

Most admitted students will be offered a financial aid package that will decrease the amount of money that the family is expected to contribute to the program. The amount of financial aid given to each scholar is based on the family income and ability to pay. Information about each student's financial aid will be made available once the scholar has been admitted to the program.

Housing

All scholars will live together in TSP housing near the program office. Housing considerations will be included in a student's Financial Aid.

University Studies

As part of the program, Tujenge Scholars will work with counseling staff to plan for their future education. TSP believes that continuing education is fundamental to developing capacity for leadership and commits to working with each scholar to help them achieve their educational goals.

Tujenge Scholars Program does not have an affiliation with any university, and therefore cannot guarantee student university placement. **TSP makes no promises regarding university admission**, and Tujenge scholars will be ultimately responsible for any eventual university applications.

Tujenge scholars are not able to study at university at the same time that they are enrolled in TSP.

If you are currently enrolled in a university program you may apply, but realize that your university studies will need to be deferred if you are accepted into the program.

Return Obligation

Students are expected to return to Burundi for a minimum of two years after completion of their undergraduate studies. All scholars who are admitted to the program will sign a contract affirming their intention to do so and will be held to that commitment.

The Tujenge Scholars Program is not a gateway for young Burundians to “escape” life in Burundi, but rather an initiative designed for young people who want to better their country and the people in it. By affirming their intention to return to Burundi, Tujenge Scholars demonstrate their lasting commitment to the country.

FREQUENTLY ASKED QUESTIONS

1. Can I enroll in TSP if I am a university student?

If you are currently a university student, you will be required to withdraw or defer your university enrollment before starting the Tujenge Scholars Program. Any past university affiliations must be reported in this application.

Puis-je m'inscrire au TSP si je suis un étudiant universitaire ?

Si vous êtes actuellement étudiant à l'université, vous devrez retirer ou reporter votre inscription à l'université avant de commencer le Programme Tujenge Scholars. Toutes les affiliations universitaires passées doivent être signalées dans cette demande.

2. Can I enroll in TSP if I have accepted admission into a university program but have not yet begun classes?

Yes. You will be required to withdraw or defer your university enrollment if you are accepted into the Tujenge Scholars Program, however this should not prevent you from applying.

Puis-je m'inscrire à TSP si je suis déjà admis dans un programme universitaire mais que je n'ai pas encore débuté les cours ?

Oui. Vous devrez retirer ou reporter votre inscription à l'université si vous êtes accepté dans le programme Tujenge Scholars, mais cela ne devrait pas vous empêcher de postuler.

3. **Does a place in TSP guarantee me enrollment in an American university?**

No. While we expect to see high university admission rates for Tujenge Scholars, Tujenge Africa Foundation is unaffiliated with any university program and cannot guarantee enrollment at any university. Moreover, ability to attend a university is dependent on not only admissions, but also factors such as availability of financial aid and visa constraints.

Est-ce qu'une admission dans TSP me garantit l'inscription dans une université américaine ?

Non. Alors que nous nous attendons à voir des taux élevés d'admission à l'université pour les Tujenge Scholars, Tujenge Africa Foundation n'est affiliée à aucun programme universitaire et ne peut garantir l'inscription dans aucune université. De plus, la capacité à fréquenter une université dépend non seulement des admissions, mais aussi de facteurs tels que la disponibilité de l'aide financière et les contraintes de visa.

4. **What is the minimum score on the National Exam required for admission into TSP?**

There is no minimum score requirement. We take a student's entire application into account when selecting a class of Tujenge Scholars.

Quelle est la note minimale à l'examen national requis pour l'admission au TSP ?

Il n'y a pas de note minimale requise pour être considéré. Nous prenons en compte toute la candidature d'un étudiant lors de la sélection d'une classe de Tujenge Scholars.

5. **Classes are really only taught in English? What if my English is not very good?**

Because classes are just taught in English, you need to have a basic knowledge before you start the program. However, we do not expect anyone to be fluent when they enter the program, and we welcome scholars with a wide variety of ability levels each year.

Est-ce que les cours ne sont dispensés uniquement qu'en Anglais ? Et si mon Anglais n'est pas très bon ?

Parce que les cours sont dispensés en Anglais, vous devriez avoir une connaissance de base avant de commencer le programme. Cependant, nous ne nous attendons pas à ce que vous parliez couramment l'Anglais, et nous accueillons chaque année des élèves ayant des niveaux de compétence très variés.

6. **Where is TSP located? What if I live far from the location where classes are held?**

Classes for TSP are located in Bujumbura. All students will live together in Bujumbura for the duration of their time with TSP.

Où se trouve le TSP ? Et si je vis loin de l'endroit où les cours sont dispensés ?

Les classes de TSP se trouvent à Bujumbura. Tous les étudiants vivront ensemble à Bujumbura pendant toute la durée de leur séjour avec TSP.

7. I live in Bujumbura. Do I still have to live in TSP housing?

Yes. Students in the 6th cohort will live together in Bujumbura for the duration of their time with TSP.

J'habite à Bujumbura. Dois-je quand même habiter dans la maison de TSP ?

Oui. Les étudiants de la 6ème promotion vivront ensemble à Bujumbura pendant toute la durée de leur séjour avec TSP.

 - Space is provided on the next two pages for your responses. If you need additional space, you may attach extra sheets of paper to your application.
- *Vous pouvez obtenir l'aide de quelqu'un d'autre pour la compréhension des sujets d'écrits et pour des commentaires sur un brouillon, mais vos réponses doivent être écrites par vous et les idées doivent être les vôtres.*
 - *Votre réponse à la première question devrait être faite de cinq mots seulement.*
 - *Pour les questions 2 et 3, vous n'êtes pas obligé d'atteindre la limite de mots. Les bonnes réponses peuvent être courtes. La qualité est meilleure que la quantité.*
 - *Il n'y a pas de réponse unique et correcte à l'une de ces questions. N'insistez pas trop sur ce qu'il faut écrire. Écrivez sincèrement et écrivez ce que vous ressentez. Vos réponses nous aideront à avoir une idée du type de personne que vous êtes.*
 - *Un espace est mis à votre disposition sur les pages suivantes pour vos réponses. Si vous avez besoin de plus d'espace, vous pouvez joindre d'autres feuilles de papier à votre formulaire.*
